Bella™ Strong Glove

Seamless Comfort at a More Affordable Price

The new Bella Strong glove now delivers JOBST seamless comfort to the ready-to-wear lymphedema market. Leveraging the advanced flat-knitting technology seen in our custom garments and offered in eight sizes, the Bella Strong glove gives patients a nearly custom feel at a ready-to-wear price. Try the Bella Strong glove to see what a difference it can make for lymphedema patients looking for a ready-to-wear solution.

- A perfect complement to the Bella Strong armsleeve
 - Bella gloves match the color of the armsleeves
- Precise sizing
 - In order to achieve a more precise fit, the Bella Strong glove offers more sizing options than any comparable ready-to-wear glove in the market
- Utilizes advanced flat knit technology
 - The Bella Strong glove uses technology previously available only in our custom products
